

## Information before you start your Partner Application

An MVD partner is a business that will process transactions on behalf of the State of New Mexico Motor Vehicle Division. MVD Partners will use all MVD systems, including Tapestry. Each Tapestry user will be required to meet specific criteria (background checks and finger printing, Training and have a unique user name) in addition to the application approval process.

At this time only Vehicle transaction partners are being accepted. There is currently not an ETA for Driver Services Partners. Exams can be added under a vehicle services partner.

Please take the time to review these directions prior to submitting your application online in MyMVD (<https://eservices.mvd.newmexico.gov/eTapestry/>). You must complete the application from start to finish and provide all the necessary documents. A sample partner agreement is available at <http://www.mvd.newmexico.gov/mvd-related-businesses.aspx>, picture is provided below. Please review in detail the sample partner agreement prior to submitting your application. Once your application has been approved you will be provided a partner agreement specific to your business.

The following is a user guide to submit an application to become a partner with MVD. Application submission does not guarantee access to MVD systems.

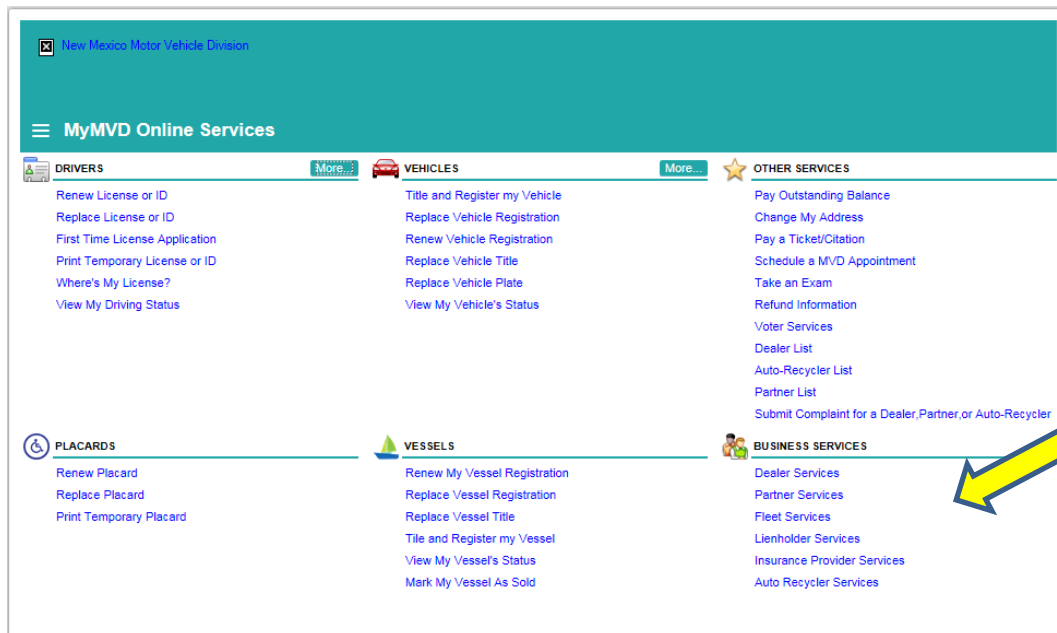

## Documents needed for Application

You will need the following documents to complete a partner application. Required documents will need to be scanned and attached to application.

- Business Identificaiton numbers (CRS, Fed ID, Secretary of State).
- Business Ownership documents
  - Individual Owner informaiton (Driver's License number, phone number, address, etc)
- Location information
  - Zoning Document
  - Business License
  - Property Lease
